Happy  
Birthday

**JUMBO**

**JUMBO** the indestructible  
all-rounder celebrates its birthday.

**A real JUMBO through and through**

To mark its 40th anniversary, a JUMBO is being built exactly where its predecessor was produced for decades. A lot has happened in the 40 years since the very first JUMBO. So our model of the JUMBOedition is technically fully up to date and state-of-the-art and what's more: it is even more powerful than ever before and packed ex works with a host of technical features.
